Dear Courtney,

I would like to take this opportunity to thank your team for everything they've done for us over the years. Matt Thompson especially has been a tremendous asset for our company. Matt has been there for us every step of the way to navigate the challenging landscape at GSA since we obtained our first GSA schedule in 2001 with your help.

More recently, Altum transitioned from a services company to a software product company and Matt has been invaluable in helping us prepare the GSA schedule modification package.

We have always recommended Global Services to other companies looking for GSA contract support and we will continue to do so.

Sincerely,

A handwritten signature in black ink that reads "Steve P. Pinchotti".
