Dear Martin:

Global Services, Inc. has been presenting Federal Government procurement workshops for SCORE for several years. SCORE is a nationwide non-profit association with 11,000 volunteer members providing free counseling to America's small business. It is a resource partner of the Small Business Administration.

You, as Vice President, and Courtney Fairchild, CEO, have offered pro bono half-day workshops on "Business Development in the Federal Sector" and "GSA Schedules" to well over 200 small business attendees, who have been enthusiastic about both the material and the presenters. Every workshop has been a "hit" and all remain among our most popular.

We at Chapter 1 in Washington, D.C. with over 50 volunteers continue to appreciate your generous contribution of time and effort and look forward to more years of a very productive association with Global Services.

Sincerely,

Lee E. Surut
Workshop Coordinator
