Dear Courtney,

I wanted to take a minute to thank you and your staff for all of the help and guidance you provided Threespot in obtaining our GSA schedule. While the GSA contracting process is both involved and time-consuming, Global Services' (GSI) knowledge and expertise truly helped shepherd us through the process.

At the outset, the task seemed daunting, and we questioned our interest in actually "pushing through." But your staff's confidence, knowledge and understanding of GSA's interests and needs made the process manageable. I'm sure that our decision to work with you saved us time and money, not to mention considerable aggravation.

Thanks again for a job well done.

Best,
